PATENT

**Section II: REMARKS**

Please cancel claims 16-24.

Claims 1-12 and 16-24 have been allowed in the Notice of Allowance mailed 11/27/2007. Of the allowed claims, claims 1-12 are method claims and claims 16-24 are non-method claims. The present amendment is made in order to cancel the non-method claims 16-24 in order to enable applicant to place all allowed method claims 1-12 in one patent resulting from the present application, and to place all remaining allowed non-method claims 16-24 in a separate and subsequently filed Continuation Application. The Examiner's attention to this matter is greatly appreciated.

Respectfully submitted,
